STAT

Many thanks for your letter of January 22nd in regard to your son. I apologize for having been slow in answering.

Your son's background of education and travel and his apparent aptitude for languages would seem to qualify him for employment in this Agency. I suggest that he come to Washington some time in the near future and arrange an appointment in advance through my assistant, [redacted] for an interview with Colonel Matthew Baird.

With best personal regards,

Very sincerely,
